

**Chemraz® SD585**  
**(FFKM)**  
**Statement of Compliance**

**Chemraz® SD585** is permitted for use in the fabrication of molded parts (including a-rings, gaskets, diaphragms and other materials that function primarily as components of sealing applications) for food processing equipment in accordance with the United States Food and Drug Administration (FDA) **Food Contact Notification (FCN) 247.**<sup>1</sup>

In accordance with the requirements set forth under FCN 247, **Chemraz® SD585** also meets the extractive limitations prescribed in 21 C.F.R. Section 177.2400 ("Perfluorocarbon cured elastomers"), paragraph (d).<sup>2</sup>

**Chemraz® SD585** has been tested in accordance with United States Pharmacopeia (USP) Standards for use in pharmaceutical applications. More specifically, **Chemraz® SD585** has been evaluated under USP <87> ("Biological Reactivity Tests, *In Vitro*") and USP <88> ("Biological Reactivity Tests, *In Vivo*") and meets applicable requirements for Class VI polymers.<sup>3</sup>

**Chemraz® SD585** complies to EC1935-2004 per national requirement BfR XXI, category 4 for seals and similar commodity parts.<sup>4</sup>

**Medical Use**

CAUTION: Chemraz® perfluoroelastomers are not intended for use in medical applications involving implantation in the human body. For all medical applications, consult the Greene, Tweed & Co., LLC Life Sciences Department.
