

The Buyer's attention is drawn in particular to the provisions of Section 10.

1. **Applicability.**

1.1 These terms and conditions of sale (these "**Terms**") are the only terms that govern the sale of the goods ("**Goods**") by Greene, Tweed & Co., France S.A.S ("**Seller**") to the buyer named on the Order Confirmation (as defined below) ("**Buyer**"). Collectively Buyer and Seller are referred to as the "**Parties**" and individually as "**Party**."

1.2 The accompanying order confirmation (the "**Order Confirmation**") and these Terms (collectively, this "**Agreement**") comprise the entire agreement between the Parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. This Agreement supersedes any of Buyer's general terms and conditions of purchase regardless of whether or when Buyer has submitted its purchase order or such terms. Seller expressly rejects Buyer's general terms and conditions of purchase, and fulfillment of Buyer's order does not constitute acceptance of any of Buyer's terms and conditions or serve to modify or amend these Terms. Acceptance of the Order Confirmation by Buyer (which shall be deemed accepted should Buyer not object in writing within five (5) business days of receipt of the Order Confirmation) is a prerequisite to the purchase of the Goods and shall operate as an acceptance of these Terms which are expressly incorporated into the Order Confirmation. Notwithstanding anything herein to the contrary, if a written contract signed by both Parties is in existence covering the sale of the Goods ("**Master Agreement**"), then the Master Agreement shall prevail to the extent of any inconsistency with these Terms. Except as set forth in Section 2.1, Buyer may not request any change to or cancellation of any order of Goods within thirty (30) days of the delivery date set forth in the Order Confirmation. Furthermore, Buyer may not cancel, in whole or in part, any purchase order for made-to-order Goods once such purchase order has entered the applicable production lead time for the ordered Goods.

2. **Price; Terms of Payment.**

2.1 Seller's quotes price for the Goods (the "**Purchase Price**") shall be exclusive of any and all taxes; custom duties and charges of all kinds imposed by any government authority; shipping; handling; insurance; packaging; boxing; charges for returnable or reusable containers and damaged and missing tooling; and penalties (collectively, referred to as "**Additional Charges**"). The price of Goods depends on a number of criteria (including but not limited to: raw materials and cost of labor) and will be subject to a prior quotation. The Goods shall not be subject to discount unless Seller expressly and clearly provides to Buyer such discount in writing. The Purchase Price will apply to Goods scheduled by Seller for shipment within ninety (90) calendar days of the date of the Order Confirmation. Goods which are scheduled by Seller for shipment later than ninety (90) calendar days after the date of the Order Confirmation will be invoiced at Seller's price therefore at the time of shipment, which may be higher because of increased material, labor and/or other costs. If such price adjustment exceeds 15% of the previous price, Seller will notify Buyer at least thirty (30) calendar days prior to the scheduled date of shipment, and Buyer may, within five (5) calendar days after such notification, cancel any portion of Buyer's order to which such price adjustment applies, but Buyer shall remain liable for that portion which it does not so cancel.

2.2 Except as provided under these Terms, Buyer shall pay the full Purchase Price and Additional Charges within thirty (30) calendar days after the date of Seller's invoice. Seller reserves the right to require pre-payment in its sole discretion.

2.3 Without prejudice to any other remedy, if the outstanding amount of the Purchase Price and Additional Charges are not paid in full when due, Buyer shall in addition pay, from the due date until payment in full, (i) late payment interest at a rate amounting to three times the annual legal interest rate in force in France (plus any increase in Additional Charges) and/or Additional Charges. Pursuant to Article D. 441-5 of the French Commercial Code, in the event of late payment, the Buyer will automatically owe the Seller a fixed indemnity for recovery costs of 40 euros. Where the recovery costs incurred exceed the amount of this fixed indemnity, Buyer shall reimburse Seller for all additional costs incurred in collecting any late payments or interest due thereon, including without limitation, legal fees, subject to justification. In addition to all other remedies available to Seller under this Agreement or at law (which Seller does not waive by the exercise of any rights hereunder), Seller shall be entitled to suspend the delivery of any Goods if Buyer fails to pay any amounts when due hereunder and such failure continues for five (5) business days following written notice thereof.

2.4 Notwithstanding anything in these Terms to the contrary, Seller reserves the right, subject to the provision of reasonable notice to the Buyer and for objective grounds beyond the reasonable control of the Seller (including but not limited to: delays caused by Seller's own suppliers), to modify the dates on which it sends invoices,

shipping dates, payment due dates and notification date.

- 2.5** If the Buyer is a French entity, all purchase prices are expressed in Euros ("EUR") and all payments hereunder shall be made in EUR by ACH transfer.

If the Buyer is not a French entity, all purchase prices are expressed in United States Dollars ("USD") and the Buyer may pay all amounts due under this Agreement by ACH transfer in either (i) USD; or (ii) the Buyer's local currency ("Local Currency"). If the Buyer makes payment of any amount in Local Currency, it shall pay, upon Seller's demand, any shortfall ("Shortfall") of the USD equivalent of the amount paid in Local Currency ("USD Equivalent") compared to the USD Purchase Price of any amounts owed under this Agreement expressed in US Dollars ("USD Amount Owed"), as the case may be; provided, however, that Buyer shall have no obligation to pay any Shortfall that is less than 5% percent of the corresponding USD Amount Owed. Seller shall calculate the USD Equivalent by applying the spot exchange rate quoted in Xe.Com exchange rate on the day it first receives payment of the amount paid in Local Currency. Seller's determination of the USD Equivalent and any Shortfall controls, absent manifest error.

- 2.6** Notwithstanding acceptance of a purchase order, Seller reserves the right to cancel any accepted order upon providing Buyer with prompt written notice if: (a) after acceptance, the cost of raw materials necessary to fulfill the order increases by more than 15% compared to the cost at the time of order acceptance, and such increase would render performance commercially impracticable under the circumstances; or (b) the goods ordered become commercially impracticable to manufacture or obtain due to unforeseen disruption of supply, destruction of production facilities, other circumstances beyond Seller's reasonable control. Upon valid cancellation under this provision, Seller shall refund any amounts paid by Buyer for the cancelled order within 5 business days, and neither party shall have further obligations under the cancelled order except as expressly provided in the Terms and Conditions or as required by applicable law.

### **3. Delivery.**

- 3.1** The Goods will be delivered within a reasonable time after the receipt of Buyer's purchase order, subject to availability of the Goods. Delivery dates given by Seller are estimates only, are not guaranteed, are subject to shipping variations and requirements, any may be extended by Seller for a reasonable period of time if conditions warrant. Time of delivery is not of the essence.

- 3.2** If the Seller fails to deliver the Goods, its contractual liability shall be limited to the costs and expenses incurred by the Buyer in obtaining replacement goods of similar description and quality in the cheapest market available. The Seller shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Buyer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

- 3.3** Unless otherwise expressly agreed in writing by Seller in the Order Confirmation, all Goods are shipped in one of the following manners, as specified in the Order Confirmation: (i) Goods sold domestically may be shipped EXW Seller's plant; (ii) FCA, Seller's plant, or (iii) in the case of drop shipment, DAP, Buyer's premise or port named in Buyer's purchase order. The location set forth in (i), (ii) or (iii) is referred to herein as the "Delivery Point". Good shall be shipped using Seller's standard methods for packaging and shipping such Goods, and Buyer shall pay the cost of any and all carriers and freight. Buyer shall take delivery of the Goods within five (5) business days of Seller's written notice that the Goods have been delivered to the Delivery Point. Buyer shall be responsible for all loading costs and providing equipment and labor reasonably suited for receipt of the Goods at the Delivery Point. Buyer is responsible for fees associated with not taking timely delivery of the Goods, such as storage fees.

- 3.4** Seller may without liability or penalty, make partial shipments of Goods to Buyer. Each shipment will constitute a separate sale, and Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer's purchase order.

- 3.5** All transportation insurance (if requested by Buyer) and other delivery charges from the Delivery Point to Buyer stated in the Order Confirmation or otherwise communicated by Seller to Buyer in writing represent estimated charges. If actual charges at the time or times of shipment are greater or lesser than any of the aforesaid charges, Buyer shall pay any increase and shall receive the benefit of any decrease. To the fullest extent legally permitted, Buyer shall pay all local and international taxes (sales, excise or otherwise) which Seller may be required to pay or collect upon or with reference to the sale, purchase transportation, delivery, storage, use or consumption of the Goods now in effect or imposed at or prior to the time the Goods are delivered, and such taxes will be added to the Purchase Price.

3.6 To the fullest extent legally permissible, in addition to the Purchase Price and Additional Charges, Buyer shall pay or reimburse Seller for all applicable local and international taxes and customs duties, which Seller may be required to pay or collect and now in effect or imposed at or prior to the time the Goods are delivered.

4. **Title and Risk of Loss; Security Interest.**

4.1 Title and risk of loss pass to Buyer upon delivery of the Goods at the Delivery Point. Upon delivery of the Goods by Seller to the carrier for shipment at the Delivery Point, all risk of loss, damages and other incidents of ownership shall immediately pass to Buyer, subject to Seller's rights until paid in full as set forth in Section 4.2 below. If shipments of any Goods are delayed by Buyer, all Goods held by Seller shall be at the sole risk and expense of Buyer.

4.2 Until Buyer makes payment of the Purchase Price of the Goods and Additional Charges to Seller, Buyer shall (i) store the Goods separately from all other goods held by Buyer so that they remain readily identifiable as Seller's property; (ii) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; (iii) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; and (iv) give Seller such information as Seller may reasonably require from time to time relating to the Goods and the ongoing financial position of Buyer.

5. **Inspection.**

5.1 Buyer shall inspect the Goods within five (5) business days of receipt ("**Inspection Period**"). Buyer will be deemed to have accepted the Goods unless it notifies Seller in writing of any Nonconforming Goods (as defined below) during the Inspection Period and furnishes such written evidence or other documentation as reasonably required by Seller. "**Nonconforming Goods**" means only that the product shipped is different than identified in the Order Confirmation; provided, however that Seller may substitute for any Goods specified in Buyer's order goods of like or greater quality which are functional equivalents and such substituted goods shall not be "Nonconforming Goods".

5.2 If Buyer timely notifies Seller of any Nonconforming Goods, Seller shall, in its sole discretion, (i) replace such Nonconforming Goods with conforming Goods, or (ii) credit or refund the Purchase Price for such Nonconforming Goods, together with any reasonable third-party shipping and handling expenses actually incurred and paid by Buyer in connection therewith. Buyer shall ship, at its expense and risk of loss, the Nonconforming Goods to the Delivery Point. If Seller exercises its option to replace Nonconforming Goods, Seller shall, after receiving Buyer's shipment of Nonconforming Goods, ship to Buyer, at Seller's expense and Buyer's risk of loss, the replaced Goods to the Delivery Point.

5.3 Buyer acknowledges and agrees that the remedies set forth in Section 5.2 are Buyer's exclusive remedy for Nonconforming Goods. Except as provided under Section 5.2, all sales of Goods to Buyer are made on a one-way basis and Buyer has no right to return Goods purchased under this Agreement to Seller.

6. **Force Majeure.** Seller may terminate, delay or suspend performance under this Agreement in whole or in part and shall not be deemed to have defaulted under or breached this Agreement, and shall not be liable for any direct or indirect liability, delay, damage or loss, when and to the extent such termination, delay, suspension, or any failure to perform under this Agreement is caused by or results from circumstances beyond Seller's control (each, a "Force Majeure Event"). Force Majeure Events shall include but not be limited to fires; explosions; severe weather; flood; labour disputes, strikes, lockouts, boycotts, picketing, labor stoppages or slowdowns, or other industrial disturbances; riots; epidemics, pandemics, or quarantine restrictions; war, invasion, hostilities (whether war is declared or not), terrorist threats or acts of riot or other civil unrest; delays of carriers; embargoes or blockades; national or regional emergency; action by any governmental authority or requirement of law (whether voluntary or mandatory, legislative, executive or administrative); telecommunications breakdowns, power outages or shortages, lack of warehouse or storage space, inadequate transportation services; and any other events beyond Seller's control and whose effects cannot be avoided by appropriate measures. Buyer shall accept as full and complete performance of this Agreement such portion of the Goods as Seller determines it is able, under the circumstances, to deliver in accordance with these Terms, and Buyer shall be liable for such delivered portion.

7. **Limited Warranty.**

7.1 Seller warrants to Buyer that (a) for a period of one hundred and eighty (180) calendar days after the date of delivery of the Goods (the "**Warranty Period**"), the Goods will materially conform to Seller's published specifications in effect as of the date of shipment under the corresponding Order Confirmation, and (b) Buyer will receive good and valid title to the Goods, free and clear of all encumbrances and liens, except as expressly provided by these Terms.

7.2 The warranties under this section do not apply where the Goods have been: (i) subjected to abuse, misuse, neglect, negligence, accident, abnormal physical stress or environmental conditions, use contrary to any instructions issued by Seller, or improper testing, installation, storage, handling, repair, or maintenance; (ii) reconstructed, repaired, or altered by anyone other than Seller or its authorized representative; or (iii) used with any third-party product,

hardware, or product that has not been previously approved by Seller.

**7.3** The warranties under this section extend only to (a) Seller's expressly authorized distributors ("**Distributors**") and (b) the original end user of the Goods (i) who acquires such Goods directly from Seller or directly from a Distributor and (ii) who acquires the Goods not for resale of the Goods themselves but for such end user's own use or for such end user's incorporation into a product which that end user manufactures (the "**End User**"). ANY GOODS ACQUIRED BY ANY PERSON OR ENTITY OTHER THAN A DISTRIBUTOR OR END USER ARE ACQUIRED ON AN "AS-IS" BASIS "WITH ALL FAULTS" AND WITHOUT ANY WARRANTIES OF SELLER.

**7.4** Buyer shall communicate the terms of this limited warranty to all End Users and to all others to whom Buyer delivers any Goods or otherwise transfers any Goods. Buyer acknowledges and agrees that this limited warranty shall be null and void as to any Goods which Buyer sells or otherwise transfers to any person or entity other than as set forth in this Section 7.

**7.5** No action pursuant to this warranty may be brought after the Warranty Period.

**8. Buyer's Exclusive Remedy for Breach of Warranty.** During the Warranty Period (a) Buyer shall notify Seller, in writing, of any alleged warranty claim promptly after Buyer discovers, or upon reasonable inspection should have discovered, such alleged claim (but in any event before the expiration of the applicable Warranty Period); (b) Buyer shall ship the relevant Goods within three (3) calendar days of the date of its notice to Seller, at Seller's expense and Buyer's risk of loss, to the Delivery Point for inspection and testing by Seller; (c) If Seller's inspection and testing reveals, to Seller's reasonable satisfaction, that such Goods do not conform with the limited warranty set forth herein, Seller shall, at its expense (subject to Buyer's compliance with this Section 8), either (i) repair or replace such Goods, or (ii) credit or refund the Purchase Price of such Goods less any applicable discounts, rebates, or credits; and (d) If Seller exercises its option to repair or replace, Seller shall, after receiving Buyer's shipment of such Goods, ship to Buyer, at Seller's expense and Buyer's risk of loss, the repaired or replacement Goods F.O.B. the Delivery Point. **9. Warranties Disclaimer.** Except as provided in Section 7, Seller has no liability to Buyer in respect of the Goods' failure to comply with the warranty set out in Section 7.1. Buyer acknowledges that it has not relied upon any representation or warranty made by Seller, or any other individual or entity on Seller's behalf, except as specifically provided in Section 7 of these Terms.

**10. Limitation of Liability.**

Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves Buyer of any of its obligations under this Agreement.
- 18.3 The relationship between the Parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.
- 18.4 This Agreement benefits solely the Parties to this Agreement.
